- March 19, 2009 - "Queer Spirit: Retreats, Gatherings and Mindfulness for Gay Men: Building a Community of Love, Service and Support"
By John Cottrell, PhD and Jerry Buie, LCSW
- For three years now John Cottrell Ph.D. and Jerry Buie LCSW have been hosting a series of events with the aim of facilitating and supporting mindfulness for Gay Men. Consequently there has been new support systems for men abandoning addictions, finding friendships and developing deeper relationships. Queer Spirit was recently featured in a LOGO special this past spring and has been attracting an international crowd.
- April 16, 2008 - "A group discussion on the political, professional, and therapeutic agendas regarding the diagnostic categories of gender identities and 'sexual orientation distress'"
Facilitated by Lee Beckstead, PhD"
- May 21, 2009 "Bringing Religion/Spirituality into the Therapy Session as an Intervention for Recovery"
By June-Lee Hernandez, Masters of Art in Education
