The face of the U.S. Military has changed dramatically over the last 50 years as women make up 15% of our current active duty, guard and reserves. Additionally, women are the fastest growing subgroup of the U.S. Veteran population. Our community is experiencing an unprecedented influx of women veterans; together the VA and the community will play an essential role in providing a full-spectrum of services including medical, social and mental health care.
- February 16 "I'd Work With kids/teens if it weren't for the parents"
-Robin Tracy
- March 15 "Helping Clients Who Choose to live a celibate life"
-Susan Lyons

April 19

“How to be an Ethical Slut”

-Josh Bytendorp

Whatever your relationship status, this workshop is designed to help you increase your pleasure, decrease the drama, and even raise your ethical and safety awareness in each of your sexual adventures. It will include a discussion about stigma in sexuality (because what has more stigma than “slut”?), how to be ethical while being sexual and will include a discussion about how to help our clients apply these principles to help them be more congruent with their sexual behavior.

May 17

“Working With Sexual Addiction Issues in Couples Therapy”

-Deanna Rosen (This in-service will include case presentation)
